

Gibbons School

We are all about kids!

Our School

Gibbons School has a strong academic program, an award-winning music program and a range of dynamic options. Our school is inclusive—we pride ourselves on meeting the needs of all students. We focus on values of character education, showing respect and responsibility and making someone else’s day better. Our school and students have a legacy of supporting the community through various volunteer and fundraising activities including supporting the Stollery Children’s Hospital and Make-a-Wish Foundation.

Our successful sports teams promote participation and skill development, while daily clubs and activities encourage students to make new connections and use personal strength to help others.

At-a-Glance

BYOD

Students bring their own device for learning.

HOCKEY ACADEMY AND DANCE ACADEMY

Academies focus on character building, academics and leadership.

COBBS PARTNERSHIP

This great partnership allows students to access breakfast options.
