

OUR SCHOOL

"We're All About Kids!" is a motto that resonates every day throughout Gibbons School. Welcoming students from grades 5 to 9, we're a busy school serving the Town of Gibbons and surrounding rural area.

Our school has a strong academic program, an award-winning music program and a range of dynamic options. Our school is inclusive—we pride ourselves on meeting the needs of all students. We focus on values of character education, showing respect and responsibility and making someone else's day better. Our school and students have a legacy of supporting the community through various volunteer and fundraising activities including supporting the Stollery Children's Hospital and Make-a-Wish Foundation.

Our successful sports teams promote participation and skill development, while daily intramural programs encourage students to explore new activities and use their personal strengths to help others.

PROGRAM POWER

Our school has program power! We offer exciting, engaging programs that suit every student's ability, interests and goals. Programs include Music, Hockey Academy and Knowledge & Employability.

Students can choose from a wide range of exciting Career and Technology Foundations (CTF) courses including Computer Animation, Golf, Photography and Elite Sports Development.

PROGRAMS

Our exciting, engaging programs suit every student's ability, interests and goals!

ALBERTA CURRICULUM

Gibbons School follows the Alberta Curriculum, which specifies the knowledge and skills that students are expected to learn, set by Alberta Education.

MUSIC

Gibbons School has a strong, award-winning music program, offering recorder and general music for Grade 5 students, beginner band for Grade 6 students and concert band for junior high students.

ATHLETICS

Gibbons School offers various opportunities for students to learn healthy and active lifestyles. We have several sports teams and an intramurals program for students to build physical skills, friendships, teamwork, confidence, discipline and perseverance. Students in grades 7 to 9 participate in interschool league play. We also offer sports-oriented complementary courses and our innovative Hockey Academy.

HOCKEY ACADEMY

Offered to girls and boys in grades 5 to 9, Hockey Academy provides hockey training and skills development within the school environment. It's designed to develop balanced athletes with an emphasis on overall fitness and health, promote good sportsmanship, improve on and off ice hockey skills and promote passion for the game.

KNOWLEDGE & EMPLOYABILITY (K&E)

This unique program is available for students in grades 8 and 9 who learn best through hands-on activities. Learning skills essential for the workplace, community and home, students obtain a sense of success and entry-level job skills.

CAREER AND TECHNOLOGY FOUNDATIONS (CTF)

Students can expand their knowledge by choosing from a variety of exciting CTF courses and clubs!
