 - b) Abby S. presented an idea to raise money to buy new library books. She has discussed this with Mr. Pazuik and Ms. Howden. They might need the assistance of the parents association with their efforts. They have planned a taco in a bag fundraiser for Apr. 12. Other ideas include a book drive, Amazon/Chapters wishlist. Recommended that the library tech be consulted to see what she is planning to purchase with funding, and that students are consulted to make a list of requested books. Possibility of using the school wide taco in a bag as a fundraiser instead or that the beef is donated towards their already planned fundraiser.
 - c) School would like to continue with the usual donation of \$500 towards Gr. 9 grad and \$500 towards council awards. Tabled until more of the executive is available to vote.
